

Noranda Primary School Newsletter

Term 1 Week 5 - 29 February 2024

Principal's Report

School Board

We had our first Board meeting last week. At this meeting, we discussed the school priorities of English, Maths and students' engagement and behaviour. Each year we run a process within the Board for the role of Board Chair and I am pleased to share that the School Board Chair for 2024 is Ned Hatswell. We also welcomed Ahmed Siddique as a new community Board member. Some of you may remember Ahmed from last year as he was the instigator of the buddy bench outside of Room 7 through his role as the President of the Rotary Club of Morley. Our next Board meeting will be on March 13th.

Noranda Woolworths Staff

I would like to say a big thank you to the staff at Noranda Woolworths. The staff make donations to a different group each month as part of their staff initiatives and they donated this box of goodies to help support the students of Noranda Primary School. Thank you to these individuals for digging into their own pockets for our students.

Breakfast Club

Our Breakfast Club is back in action for 2024 on Thursdays and Fridays from 8.15am. Thank you to these dedicated students who assist Miss Chapman each and every week. Parent helpers are always welcome, as are donations of Milo and margarine as we are unable to source these for free through Foodbank. Foodbank and Bakers Delight Noranda provide us with free food and milk for our service to Noranda students.

Your Move

I recently received our accreditation statement for 2023 and am pleased to share that we received Gold in 2023. We did this through the work of the Your Move leaders, Mr Barns and Miss Roberts who posted 11 stories and earned \$3062 worth of rewards and grants. There will be some works happening around the bushland path with some of the funding we received, so stay tuned for that. Ms Sampson, Miss Bain and Mr Barns are currently working through nominations of students to be our Your Move leaders for 2024.

Therapy Pod

Thank you to Mrs Turner who sourced a very generous donation from her cousin for our school. Mrs Jenny McKay donated a Therapy pod to our school after she learned of the sensory project we have been working on across various areas of the school. This pod is situated in our senior wet area and is already well used by a number of our students. A very big thank you to Mrs Turner and Mrs McKay.

Real Schools

One of our focus areas at Noranda is building our school culture to support a positive environment for all students to be able to thrive. To grow the culture, all stakeholders: students, staff and families, need to have a common language, mindset and ultimately understand the conduct expected at our school. This is not a short term project and we have partnered with Real Schools for the next three years for this journey. Over the next three years there will be staff professional learning days, parent workshops, in class modelling of restorative approaches to behaviour management and much more.

Kristy Harrison

Principal
