

Noranda Primary School

Term 4, Week 1- Thursday 15th October 2026

Principal's Report

Dear families,

Welcome back to Term 4. I hope everyone enjoyed a relaxing break and is feeling refreshed and ready for the final term of the school year.

It was wonderful to see our students return, reconnect with friends and settle back into their learning routines. Term 4 is always a busy and exciting time, with plenty of opportunities to celebrate student growth, achievements and the progress made throughout the year.

This week we are celebrating Mentally Healthy Week. Staff kicked off the week with an enjoyable Adventure Quest team-building activity on Monday afternoon, while students have been participating in a range of activities throughout the week to promote positive mental health and wellbeing. To finish the week we will have a free dress day, just for fun. There will be a full recap of our celebrations in the next newsletter.

Grandparents Day

Immediately after the Room 6 assembly on Friday 23rd October, we will be having a Grandparents' Day morning tea. The morning tea will be on from assembly's end at approximately 9.35 through until 10am. Families are invited to bring a picnic and enjoy some time outside with their children on the grassed area outside the undercover area.

Grandparents and extended families often play a significant part in the lives of their children and this is a day we recognise these people in our school community.

Term 3 Terrific Kid Lunch

Congratulations to the following students who were nominated by their classroom teacher to have a pizza lunch.

Dylan Field, James Zhang, Reza Moeinaddini, Marvik Naik, Ruby Wall, Lachlan Talbert, Amy Nguyen, Samuel Zhang, Sara Toy, Riley Van de Meeberg, Harper Prevett, Jacob Binns, Liam

P&C News

Hello Noranda Families,

Welcome back to term 4. Time to pencil some dates in your calendar.

Walk to School Friday 30th October.

Join us Friday 30th October for our next Walk to School Day. Walk, ride, scoot or skate with your mate to school. Grab a piece of fruit or yoghurt from the Walk to School station near the undercover area and participate in some fun activities before school starts. If you live too far from school to walk the whole way you could consider driving part way and parking for a shorter journey; there is plenty of parking at Deschamp Reserve. We would like to thank MCQ in Malaga and Bakers Delight Noranda for their support of this event.

Scholastic Buy One Get One Book Fair Tuesday 10th, Wednesday 11th November in the undercover area.

Colour Run Friday 13th November from 2pm on the oval.

Notes came home this week. Get ready to run, walk, laugh, get messy and be covered in COLOUR. Our Pre-Primary to Year 6 students will be taking part in the 2026 Noranda Primary School Colour Run – and we're turning it into a HUGE fundraising challenge. Every donation helps the Noranda Primary School P&C support our school by funding projects, resources and improvements that benefit our students. The class that raises

the most money will earn themselves a pizza lunch with the second highest classroom receiving an extra 10 minutes of play at recess or lunch with an icy pole. Scan the QR code in the note sent home, find your class, and click the donate button to enter your preferred amount. You will also find the QR code in the social media info or on the posters you'll see around the school soon. Share your class with your family and friends, via Facebook, to help support Noranda Primary School. Any questions, please email us at pandcnorandaprimary@gmail.com We can't wait to get cashed up and COLOURFUL.

School Playgrounds and Equipment

Dear Parents and Carers,

A gentle reminder that, once the school day has finished, students are asked not to use the school playgrounds or play equipment while waiting for collection.

There are no school staff on duty after school, and at this time the school playground areas become the responsibility of our Before and After School Care service. Their staff need to prioritise the supervision and safety of the students enrolled in their care, and having other students using the playgrounds makes this more difficult for them to manage.

We understand that the playground is an appealing place for children to play while parents and carers catch up with one another. Families are very welcome to use the playground across the oval for children to play after school while you have a chat and spend some time together.

We ask that families please make use of this alternative rather than the school playgrounds, so that our OSHC staff can safely focus on the students in their care and all children remain appropriately supervised.

Thank you for your understanding and support. We really appreciate everyone's cooperation in helping us maintain a safe and enjoyable environment for all of our students and families.

Leave Requests

A friendly reminder that any extended leave outside of normal weekends and holidays must be requested in advance through the Principal using the noranda.ps@education.wa.edu.au email address.

Taking time to care for yourself while caring for your family

9:30am to 11:30am

Child & Parent Centre Arbor Grove
Brookmount Drive, Ellenbrook

Parenting can be full of love, connection and meaning. It can also be busy, demanding and sometimes a lot to carry. Alongside everything we do for our families, there can be a hidden load of thoughts, responsibilities, expectations and emotions that often goes unnoticed.

This two-hour workshop creates a little breathing space for parents to pause and reflect on their own wellbeing. We'll explore the hidden load of parenting, self-compassion, self-kindness and the expectations we place on ourselves.
